

Announcements

A TIME OF REFLECTION AND PRAYER. . .continues after worship today. We will gather in a circle in a place to be announced to share insights and questions about the scripture and message of the day, or concerns that you have, and a time of prayer.

POST-WORSHIP LENTEN STUDY. . .begins today following worship with scripture, discussion, prayer, and a 16 min. video presentation. The theme is “Far Horizons” (Where Are We). We will focus on “Living with Courage and Hope in Uncertain Times.” In other words, how to live “UNAFRAID.” Additional topics will cover our real life experiences including “Failure, Disappointing Others, Insignificance and Loneliness” on Sunday, March 23rd. Another focus will be “Aging, Illness, Dying, and our Uncertain Times” on Sunday, April 6th.

Today the first Sunday in Lent. During the weeks of Lent we collect the **One Great Hour of Sharing** offering. The special envelopes will be in the pews starting March 9th through Easter Sunday, April 20th for your use. If you use another envelope (which is fine) please mark it: O.G.H.S, so it gets to the right place.

March is the month of our **Spring Clothing Drive**. Any clean slightly used clothing, except underwear, is acceptable. Just bring the clothing to church any time in March and place it in the narthex. We will deliver the clothing to the clothing bank that is run by the Lancaster County Council of Churches. The last day for this collection is Sunday, March 30th. Please do not leave clothes after that. If you miss the deadline, just keep them till our next clothing drive in the fall.

Per Capita

Our per capita apportionment for 2025 is \$38.
